FREMANTLE TO EXMOUTH
OCEAN RACE & RALLY 2021

Run over a distance comparable to that of the Sydney-Hobart, the yacht race & rally is scheduled to start on Saturday 8th May 2021 from Fremantle Sailing Club. It will take competing sailors from the first chilly winds of our southern winter to the balmy warmth of Australia's Coral Coast. Exmouth itself offers a smorgasbord of tourist attractions for the sailors, their families and accompanying parties. We believe that the status of the Fremantle to Exmouth Race & Rally will also grow in parallel with that of the Exmouth region.

"The Shire of Exmouth is looking forward to having this exciting and challenging offshore race & rally finish in the township of Exmouth and for the crews, officials and support teams involved to enjoy the very best of what Exmouth has to offer", noted Cameron Woods, Chief Executive Officer of the Shire of Exmouth.
